### **Safety and Survival Strategies for People with Hearing Loss**

*Wednesday, September 13 from 5:30 to 7:30 p.m at the  
William K. Sanford Library 629 Albany Shaker Road Albany NY*

Persons with hearing loss are often at a disadvantage when it comes to emergency situations. Our hearing loss may affect our ability to prevent or identify potential situations.

Joe Marchese, retired Deputy Director of Criminal Justice for the NYS Division of Criminal Justice System, and cochlear implant recipient, will talk about these situations.

This program will focus on basic safety and survival skills for persons with hearing loss, with general strategies for our special needs.

Discussions will apply to home, travel and public areas with consideration of Natural/Man-made Disasters as well as Violence/Terrorist Acts. Participants will leave with a safety action plan.

Pizza will be served.
