District Governor Steve Lynch

Greetings,

Wow, that was fast! I can't believe that this is my last message as your District Governor. The most important thing that I can say is Thank You to each and every one of you for your dedication and service to Lionism. I am sure that the many people whose needs you have met over the past year also join in appreciation of your efforts.

One way that I was able to thank folks was at the District 20-Y2 Testimonial and Awards Dinner on May 16th at the Gideon-Putnam Resort in Saratoga. It was a wonderful evening with a celebration of the friendships and good deeds of this Lions year. It was my pleasure to present a number of very deserving Lions with certificates, medals and awards. Among these were the winners of the District Governor's Contest as follows: Leo Club: Galway Leo Club; Lioness Club: Hadley-Luzerne Lioness Club; Lions Club (< 20): Clinton Lions Club; Lions Club (20 - 40): Town of Greenfield Lions Club; Lions Club (> 40): Glens Falls Lions Club. The Albany-Troy, Galway, Glens Falls, Hadley-Luzerne and Northville-Sacandaga Lions Clubs received additional awards. Special congratulations go to these recipients: Leo of the Year: Johanna Krichton (Schenendahowa LC); Lioness of the Year: Joan Mosher (Hadley-Luzerne); Lion of the Year: Brenna Uline (Ballston Spa LC); Robert J. Uplinger Distinguished Service Award: Lion Tom Snowdon (TO Wright-Schoharie LC); Knight of the Blind: Lion Larry Alheim (Schuylerville LC); and Melvin Jones Fellowship: 1st VDGE Paula Flisnick.

On May 28th DGE Marianne and I had a lovely time celebrating the 30th Anniversary of the Hadley-Luzerne Lioness Club. Joining us in the recognition of their remarkable service were a number of PDGs including their Charter President, PDG Lettie Saheim. Three other Charter Members were present, including Lioness Beatrice Evans who was presented with a certificate honoring her 30 years of perfect attendance.

It has been an honor and a privilege to serve you. It is my hope that I have inspired and energized you. The District Cabinet has worked hard to improve communication in all directions and to provide an organization that is supportive of every Lion. I know that I am passing on the care of our district

From the Desk of DGE Marianne Lynch

Lions, Lionesses and Leos,

I am excited to become District Governor in Toronto come July! I feel very fortunate to oversee District 20Y2, a District that is in great shape. Thanks to DG Steve, his current Region and Zone Chairs for their wonderful, efficient work this year! I hope we can continue to grow, communicate and serve as well next year.

I would like to introduce my upcoming theme, governor's project and contest.

My theme for next year is the 3 R's of: Recognize, Respond and Revitalize. Simply stated: Recognize a need in your community, Respond to the need, and Revitalize your club!

Literacy: "Placing Books in the Hands of Children", will be my Governor's Project. I challenge all clubs to donate at least 5 books to a location in your community that is frequented by young children and their parents. These locations can include Doctor's and Dentist's offices, hospital waiting rooms or even pre-schools. Please place a sticker/label inside these books stating:

Donated by:
_____ Lions Club
Be-A-Lion.org

Finally, I will have two District Governor's Contests for 2014-2015.

1) Club Contest: MEMBERSHIP, MEMBERSHIP, MEMBERSHIP!

Awards will be handed out to the clubs with the highest net growth in membership in their division.

- * Less than 20 members
- * 20-40 members
- * More than 40 members

2) Zone Chair Contest

Award to the Zone Chair with the highest percentage of their clubs filing monthly membership reports (MMR), monthly activity reports (MAR), PU-101 report and making prompt dues payments.

I am looking forward to a great year!

DGE Marianne Lynch

2013 LIONS CLUB MATCHING GRANT APPLICATION

At its inception and throughout its early history, the existence and initial success of our Sight Society of NENY at Albany, Inc., very much depended upon the financial and active support of Lions clubs in the service area of Districts O, Y2 and W. Although our basic mission, with the continued support of our clubs, remains the same, the services of our Lions Eye Bank have expanded to include our present state-of-the-art facility and programs maintained by an Executive Director and staff of nine.

Today, our not-for-profit organization finds itself in a position with the financial resources to help clubs promote our joint mission of sight conservation by providing matching funds to implement specific projects with that object in mind.

The kinds of projects or programs we wish to help support should not duplicate those already available from other sources. Programs that encompass broader, sustainable activities are most desirable; areas like "Diabetes and Sight," "Senior Sight Conservation," "Sight Conservation Education in Schools," "Nurse-Teacher Informational Programs," Health Fairs with Sight Conservation Components" among others which come immediately to mind.

Projects not eligible for consideration include services available through traditional Lions programs for individuals like (a). club programs which provide eye exams and eyeglasses through arrangements made with optometrists and/or optical companies (LensCrafters etc.), (b). medical treatments / surgery referable for assistance from a Lions Eye Institute / Lions Foundation at Albany, NY.

Our matching grant program for each year will focus on a particular theme or area. For our first year in 2013, we are looking to support club projects with an emphasis on "**Senior Sight Conservation.**"

1. Who is eligible to apply? Lions clubs, Lioness clubs, and Leo clubs in Districts W, Y2 and O.
2. Amount of Grant – Variable grant requests for any amount up to \$500 will be considered.
3. Recipient clubs must agree to match, from other financial resources, the full amount of the grant as approved by the Grant Committee. Note that value of club members' donated time does not qualify as matching resources.
4. Grant applications may be submitted at any time and shall consist of a clear statement of the nature and purpose of the project along with any other details deemed appropriate by the applicant. A proposed budget of how grant monies will be spent consistent with our Lions Code of Ethics must also be provided as part of the application process.
5. It is expected that clubs will complete approved projects within one year of receiving the grant. Upon completion, submission of a comprehensive written report reviewing the outcome of the project is required from successful grant applicants. This will include a financial statement citing expenditures, payments to vendors etc. incurred during the program. Arrangements to return to the Society, any unspent funds should be made by the club.
6. Clubs receiving awards through the grant program are urged to publicize their projects through club, district, state and international media.

A crowd of 45 (18 A&T Lions, 2 Bethlehem Lions, 2 Mechanicville Lions and 23 friends and family) enjoyed the delicious meal presented by the Hilton. Following that, everyone participated in the lively, fun filled auction, where we sold over 100 items and raised \$686 to refill our coffers, plus \$100 in donations. Books, shoes, a fur coat, lamp shades, knickknacks, a treadmill,

bread maker, pottery, clothing, games, vases, flowers,

2 garden baskets donated by the Bethlehem Lions, folding dog crate, paintings, teapots, electronic keyboard (the musical kind), wine, glassware, humidifier - you name it, we had it. The evening was so successful, both as a money raiser and as a social evening, that we're already planning on doing it again next year, so start saving your stuff.

Our thanks go to Lions Diane and Tom for making all the arrangements, Laura and Lion Paul for handling the money and record-keeping, Lions Maryanne and Carol for their help keeping the auction moving, Lion Jerry for his auctioneering, and Lions Laura and Ruth for their photography.

Well, another Lions year is quickly coming to a close. That does not mean our work is over for the year - it is just getting started. Our first official cooking

event is under our belts and what a busy day that was! Special thanks to those members that helped - PDG Joe, PDG Ed, Fred K., Dave, Katrina, Courtney, Cathy, Patty, Phil, Mark, and Regina. The new layout of the cook trailer worked well. There were 400 cars at the Spring Invitational and we made over \$2,000 at our first event.

We have several more cooking events in the coming months - please assist where you can. We are looking for person to chair these events, so please pick one you can do and run with it.

Thank you to whoever mowed around the planter boxes! This will make it easier for us to work on them in the coming weeks. Thanks to Lion Dave for installing the fresh flags on the boxes just in time for Memorial Day. The flowers look very nice thanks to Lion Cathy. I would like to get some repairs done to the planter boxes, weather permitting on the morning of June 7th. Please let me know if you are available. We will start at 9 am. I have also gotten a few more flowers donated and we will be planting these at the same time.

Camp Badger work weekend was a very busy time. We had 13 Lions and non-Lions help and a lot of things got crossed off the to-do list! There are a few photos on page two of this newsletter, or view lots more on our facebook page, as well as a description of all the things we accomplished. Thanks to everyone that attended. Thanks to Lions Ed and Elizabeth for getting the tents up for the Saratoga Lions Duathlon.

Award and Spouse Night is scheduled for June 11th. Please bring your spouse or significant other. We have a lot special awards and guests invited, so please attend. I would like to thank everyone that stepped up to take on an officer position. We still have a need for a Lion Tamer - please see me as soon as possible if you might be interested. I also appreciate all my current officers and thank you for your service. I appreciate every one of you and applaud your efforts to improve our club and our community.

Remember to make all our new members feel welcome - some are very shy and need some gentle encouragement to feel they belong to our club. Please keep on asking your friends and family or co-workers to join our club. Together we can do a world of good.

Capital District Blind Golfers Association

These are the dates we currently have for the Blind Golfers (must be legally blind) to be able to play 9 holes of golf with their coach followed by lunch at the club. If you are interested in playing please let me know. I need them to confirm dates they want to play so I can let the clubs know. Thanks so much.
